FROM THE DESK OF FATHER BLANEY...

Do you remember the first Valentine card you sent? I remember that it was a popularity contest in school. (We didn't mail them in those days.) I didn't have enough money to buy a card for each person in the class, so I addressed the few that I could. There were some very pretty gals! And my close chums! And one fellow who I figured would not be getting any cards. He deserved one at least. Well, as inept as I am, I just put his first name on the envelope. Yes, there were two fellows with the same first name. It was a bit embarrassing. But, in fact, he got a couple of cards that Valentine's Day.

This Valentine's Day, whether you receive 100 or no cards, be assured of my love for you. And on Valentine's Day, you will be remembered in prayer by the villagers and me.

Happy Valentine's Day!

JOIN THE FRIEND'S CLUB AND FEEL THE JOY

Later this month you will receive a membership packet to renew your membership in Father Blaney's Friends Club. It is a special club of special people who have experienced the joy of friendship while embracing Share Foundation's mission. It's been said that friends are the most important ingredient in the recipe of life and we agree because so much good has been accomplished at Sharing Meadows, thanks to our friends.

Membership remains at \$40 for the year and entitles you to a subscription to our newsletter, the GOOD NEWS, and enters you in a monthly drawing for one of three restaurant gift certificates so that you can enjoy dinner out with your friends. Another name is selected as the Hidden Winner and that person wins \$40 - the cost of their membership for the year.

Please renew your membership in the Friends Club and ask a friend to join with you. Enrich your life with the joy of friendship and know that you have many friends at Sharing Meadows who realize that friends are the most important ingredient in the recipe of life!

FLORIDA GOLF OUTING

Calling all Florida snowbirds who like to swing a golf club and socialize with a great group of people! Karen Galinowski has joined with some friends to organize a golf outing to take place on Saturday, February 20th at the TIDES Golf Club in Seminole, Florida. For \$60, you will enjoy a round of golf with a cart, dinner and fellowship, and all funds raised will go to Share Foundation.

Call Karen at 727-397-9821 to reserve your place today or you can email your response to share@sharefoundation.org. Father Blaney will be in attendance and he's looking forward to seeing his Indiana friends who have fled south for the winter. Join him for a great day and he'll introduce you to the "Blaney Rules of Golf!"

THOUGHTS FROM THE EXECUTIVE DIRECTOR

By Kathleen Kelly

I was listening to the radio on my drive to work the other day and the John Lennon song, "I Get by with a Little Help from My Friends" was playing. As I listened to the lyrics, I started to think of all that I have been able to do with a "little help from my friends." Last summer I connected with some of my high school classmates, most of whom I had not seen for many years. It was amazing how the conversation flowed as we shared the paths our lives have taken us and somehow the years that had passed didn't seem to matter. I enjoyed seeing my friends from long ago and realized that their influence helped to shape my life.

Another friend came to mind that has been there for me for most of my life and she shares my passion for working with other abled people. We worked together for many years as catechists in the Apostolate for the Handicapped and she continues to volunteer at camp to this day. She has encouraged and challenged me to try new ventures and grow to be the person that I am. Another friend is more recent but certainly just as cherished as we get together each week for conversation and sharing in a bowling league. My villager friends at Sharing Meadows have blessed me with their loyalty and unconditional love. Friendship has truly enriched my life and made me realize that I get by with a little help from my friends.

Shortly after Christmas the stores started promoting Valentine's Day with balloons, candy, flowers, jewelry and an assortment of items in the shape of a heart. The retailers want us to think that we can only show our love by purchasing things but when it's all said and done, things don't matter, people do. As I think of celebrating Valentine's Day, I think of my friends and I want them to know how much they are loved and treasured. It's not about the prettiest roses or the biggest box of chocolates, it's about the people who have made a difference in our lives.

It's no coincidence that our Friends Club membership drive takes place around Valentine's Day. We love our friends and are grateful for your friendship. Our wish for you this Valentine's Day is that you always get by with a little help from your friends!
