FROM THE DESK OF FATHER BLANEY...

On the 6th of April, Sharing Meadows hosted a funeral. Craig Hine, son of Bill and Ganna Hine was duly recognized as a member of Christ who had Christ's sense and compassion for others.

Craig was very involved in our camp program for many years and he became a Villager here at Sharing Meadows for five years. Due to illness, his parents took him home and later he was admitted to a full care nursing home. His parents stated in his obituary that his five years at Sharing Meadows were the happiest ones of his life! That is a real compliment.

The dream of Sharing Meadows is a reality! The staff has helped the Villagers grow and enjoy themselves for their own goodness. At the end of the funeral service for Craig, his many relatives and especially the Villagers stood and sang, "I've got that joy, joy, joy, joy down in my heart." Craig was thought of – with joy!

But it is also a great compliment to his parents, Bill and Ganna. As many parents of an other abled person, they often did things for their child. In time that leads them to wonder if anyone else could give the care that they gave. For Bill and Ganna Hine, it was not an easy decision to let go. But they did make that decision! They soon learned that Craig could wash his own clothes and dress appropriately. Craig enjoyed playing friendly tricks on his housemate, Bob. And Craig learned to do chores.

Bill and Ganna were great parents. They loved Craig very much. They finally came to the realization that Craig needed more than what they were giving him. That is a great compliment to them!

Mother's Day is coming up. I hope and pray that each mother is renewed by the returned love shown to them! And I hope and pray that mothers realize that their adult child does not need them in the same way as a little child, especially of the other abled child.

FATHER'S DAY MEMORIALS

On June 20th we will celebrate our fathers. Father's Day is a special day to honor the men who have enriched your life by their presence and love. It's not too early to begin thinking of how you can honor your father. Share Foundation would like to offer you the opportunity to enrich the lives of our villagers while you honor the fathers in your life. We invite you to consider making a donation for a Father's Day memorial that will be printed in the June issue of the GOOD NEWS. There will be a special section for living memorials and one for deceased memorials dedicated to honoring the special men in your life. Whether you want to write your own personal message or leave the writing up to us, a donation in tribute to your father is a wonderful gift.

In order for us to include your tribute in our June newsletter, it must be received by our office on or before Friday, May 14th. Not only is this a wonderful way to honor your husband, father, or grandfather, it is a way for their goodness to live on through the lives of our Villagers.

THOUGHTS FROM THE EXECUTIVE DIRECTOR

By Kathleen Kelly

One of our Villagers frequently begins sentences with, “My mother says.....” or “My mother told me.....” We’ve come to expect this preface when he gets up to speak although there’s probably times when his mother shudders to think of what words he’s going to put into her mouth. It’s actually rather sweet to hear him “quoting” his mother because the love and affection he has for her is obvious.

While I may not quote my mother very often any more, I do think of her and delight in recognizing her qualities in myself, my children and my grandchildren. My daughters have her Irish wit and fun loving sense of humor and my oldest granddaughter is deeply religious just like the great grandmother she barely knew. It’s comforting to know that the traits we inherit from our mothers and the values they instilled in us keep their memory alive and the goodness comes full circle as it continues generation after generation.

Each one of our Villagers is a reflection of their mothers and it’s a joy to watch them. One of them is sweet and thoughtful, one is assertive and likes to lead, another is playful and fun loving, another is quiet and reserved, yet another is considerate and helpful. Each one has their own unique traits and each mother can be proud of the person they raised.

As we celebrate Mother’s Day, I reflect on the unconditional love my mother had for me and I thank her for nurturing and guiding me into the person I am today. As I look at the Villagers, I thank their mothers for raising their daughters and sons to be kind, considerate and joyful individuals. I hope they realize that their efforts and their villagers make Sharing Meadows the loving community that it is today. They loved their child enough to let them come to Sharing Meadows where they have truly experienced fullness of life.

Happy Mother’s Day to all mothers! Thank you for making the world a better place by sharing your wisdom, your values and your love with us!

CAMP CORNER

April's mini camp was another great success. The beautiful weather allowed us to have many activities outdoors, including the Easter egg hunt. It's almost unbelievable that May will be our last mini camp weekend until the fall. If you can't make it to the May mini-camp, make sure to put on your dancing shoes and come to the last dance of the season. It will be on Saturday, May 15th from 6:30-9pm and admission is only \$2 per person. We look forward to seeing you there!

Although this is our last mini-camp of the spring, the good news is that Summer Camp is just around the corner! The weeks are filling up fast, so send in your registration form today, or call Sandy to receive one. The weeks for summer camp are:

June 6 – 11
June 13 – 18
June 20 – 25
June 27 – July 2
July 4 – 9
July 11 – 16

Can't you feel the love and joy of Camp Sharing Meadows?

Each week runs from Sunday afternoon until Friday afternoon. Room and board is provided and a small salary is paid for each week of camp you serve. The desire to be a loving and patient companion to our wonderful campers is all that is required. Training is provided in a mandatory orientation.

Horses are one of the many activities enjoyed at camp

Each week a new group of campers arrive at Sharing Meadows, along with the staff including a nurse, cooks, and counselors. Come for one week or all six weeks! Each counselor is paired with 2 or 3 campers for the week. The counselor is a companion to the campers, while monitoring their personal needs and assisting them as necessary. This allows each of our campers to receive individual attention within a caring, group oriented environment. Every day consists of a combination of a group discussion, games, sports, crafts, swimming, and more. For more information or to receive a staff application please call Sandy Furman at 219-778-2585. SPRING LUNCHEON 2010

The villagers entertained with a dance routine

Father Blaney greets 2 of our guests

The 19th annual Spring Luncheon, held on March 24th at the Halls of St. George, was a tremendous success. About 800 guests gathered to enjoy lunch while supporting the programs at Sharing Meadows. The large room was beautifully decorated with pastel napkins and programs on the tables and balloons and spring flowers as centerpieces. Father Blaney spoke about love and gave the invocation before lunch. The scrumptious meal

Many lovely ladies attended the Luncheon

served by the staff of the Halls of St. George included salad, bread, roasted chicken, potatoes, vegetables and ice cream and homemade cookies for dessert! Cookies were also sold to raise additional support for Sharing Meadows and were baked with love by the members of the Service League and their friends and families. The Villagers of Sharing Meadows did a choreographed dance performance to an enthusiastic and appreciative audience. Door prizes and table prizes provided by many local businesses, individuals, and Service League members were distributed to many lucky guests. It was a wonderful afternoon in the company of so many Share Foundation supporters.

Villager Becky Pickett enjoyed the Luncheon with her parents, Mel and Jean

thousands of cookies, arranged for everything from the silent auction to table seating and the decorations on the tables, and worked throughout the event to make sure everything ran smoothly. This wonderful fundraiser would not be possible without the dedication and support of these women. All of us at Share Foundation would like to thank this amazing group of ladies: Chairperson Emogene Grant, Mary Balestra, Joyce Choncoff, Joan Collins, Margaret Daly, Pat Fischer, Anne Franz, Imon Franz, Judy Gresko, Fran Kovacik, Sue Krupa, Loretta Lach, Maryann Markovich, Dolores Mercier, Rose Ann Nagy, Nancy Nordmann, Jean Pickett, Beatrice Pluard, Rani Roche Julie Schmidt, Lorraine Svitko, Ursula Urbanski, and Charlene Van Sickle.

MEMORIALS

Memorials are a special way to honor the memory of a loved one or celebrate a special occasion for ourselves, our family, or our friends. We are grateful for all memorial donations, large and small, that are received but we want to remind you that our policy is that thank you letters and acknowledgement cards are not sent for any memorials received that are less than \$10.00 per name. They will be printed in the GOOD NEWS but no cards or letters will be sent. Due to the increasing cost of paper, postage and time to send cards and letters, it is not good stewardship to spend the donations you have entrusted to us to fill mailboxes with mail.

Memorial donations of \$10.00 or more per name will continue to be handled with a thank you letter, acknowledgement to family and listing in the newsletter. If you do not require a thank you letter, please mark the envelope so that we can code your account and we can save the cost of a letter and use the funds for our programs for other abled people. Thank you for your understanding!
